02 / THE PROBLEM & SOCIAL PHENOMENON

The Mainland Education Surge Housing Deficit

HK Post-Secondary Student Beds vs. Total Enrolment Demand (40% Non-Local Quota)

120,000+ Bed Shortfall by 2028

⚠ Cross-Border Scams

Unverified Xiaohongshu listings trap remote renters.

Rigid 12+12 Leases

Full-year upfront rent burdens 9-month programs.

Mismatched Flatmates

Blind co-living pairings trigger severe conflicts.

03 / THE SOLUTION & VALUE PROPOSITION

End-to-End Cross-Border Rental Trust Engine

STATUS QUO

Traditional HK Agency Model

- ✕ **Remote Verification:** Students abroad struggle to inspect properties and confirm listing details
- ✕ **Lease-Programme Mismatch:** Conventional lease terms may extend beyond the academic stay
- ✕ **Payment Risk:** Deposits may be paid before viewing in person
- ✕ **Fragmented Process:** Separate searches, contracts and payments

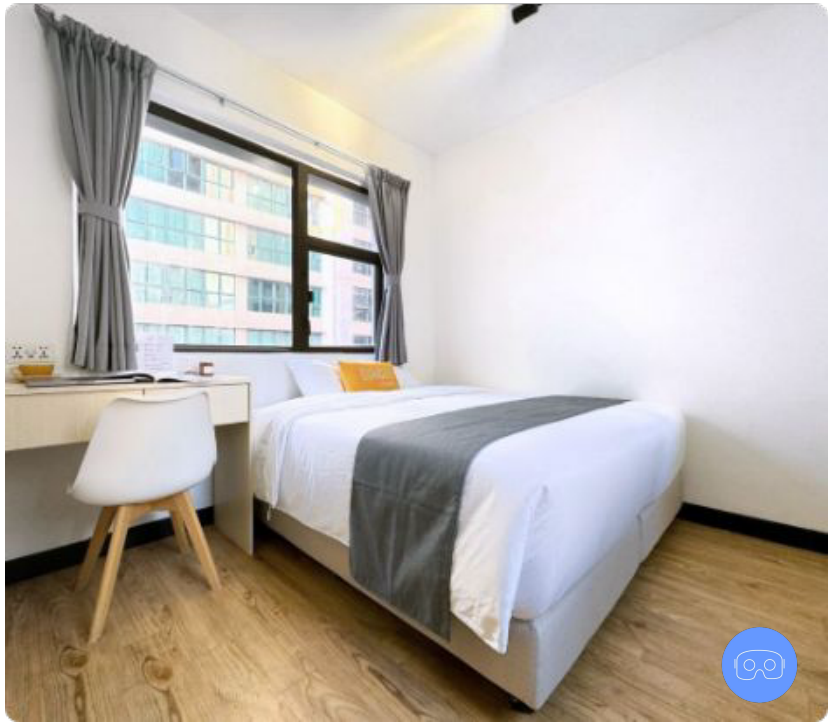

EDUSTAY PLATFORM

Verified Academic Sub-Leasing

- **Verified Listings:** Ownership and landlord identity checks, plus 3D tours
- **Academic Leases:** 9-12 month terms with participating landlords
- **Check-In Escrow:** Third-Party fund release after confirmed check-in, subject to agreed rules
- **Integrated Platform:** One rental workflow; Transparent 5% student service fee
